

Summer Reading Program 2020

Imagine Your Story

As in the past, the summer library program (SLP) here in Benton has two parts. However we are changing things so it will be all virtual.

SUMMER READING LOG —simply read— anywhere, anytime between **June 22 and July 21**. This incentive program is for all children and youth (0-18 years old). Participants keep track of their reading on their reading logs (available mid-June) and earn prizes. This year our reading log will be through the Beanstack app on your device or phone. I will help set you up on the app to track your reading and collect badges and prizes. Prizes may be mailed to your house, delivered to your house, or possibly at the library at the end IF we can be open. The last day to complete the log and collect prizes is July 21. Depending on how the pandemic is going in July, we hope to have our end-of-SLP party at Cole Acres pool again, all family members welcome. We will keep you posted on this. Note: Children do NOT need to come to any story/activity programs to participate in this reading incentive program.

June 22 - July 21 Tuesdays 10:00 AM on Zoom

SCHEDULED PROGRAMS AT BPL

Imagine Your Story: Tuesdays 10:00 a.m. on Zoom: I will read a few stories over my computer for all to enjoy through the Zoom program. If I have your email address, I will send out the invitation weekly for you to participate. I am working on getting you projects or activities for you to complete at home. There is no charge to participate in SLP.

Call/text/or email Susan Ward personally to sign up for the reading log and story hour.
